THE WIDEST RANGE OF COOKWARE FOR ALL YOUR COOKING NEEDS

The designers of Hawkins and Futura Cookware have spared no effort to provide you with the best possible cooking experience.

Each Futura or Hawkins pot or pan is made from heavy gauge, commercially pure metal for even heat dispersion and steady heat retention. Some pots or pans are also given a technologically advanced surface coating. The end result in all cases is a superb cooking surface.

Sturdy, comfortable, stay-cool handles form part of the majority of our Cookware using the finest materials in stainless steel, rosewood, silicone or plastic. The handles stay fixed permanently. Where required, the cookware comes with custom-designed lids either included in the product or as an option at extra cost. The lids are made of stainless steel, hard anodised aluminium, or glass.

We have a wide range of pots and pans to meet each of your different cooking needs. Each Cookware item is designed for the purpose for

which it is made and tried out thoroughly in the Hawkins Test Kitchen before the designs and specifications are approved. Each piece is manufactured carefully and subjected to strict quality control. Each piece is individually packed in a strong, attractive carton designed for protection in transit and sales appeal. An Instruction Manual with tested recipes comes free in each cookware carton (except Tadka Pans and EZEE-POUR® Saucepans).

Our Cookware is presented in seven types of material – Tri-Ply Stainless Steel, Stainless Steel Sandwich Bottom, Cast Iron, Ceramic Nonstick, Nonstick, Hard Anodised and Pressure Die-Cast Aluminium. Choose with confidence from the varieties showcased in this pricelist.

Futura and Hawkins Cookware are designed, manufactured and/or marketed by Hawkins Cookers Limited, manufacturers of the world-famous Hawkins and Futura Pressure Cookers.

MRP = MAXIMUM RETAIL PRICE PER UNIT INCLUSIVE OF ALL TAXES IN INDIAN RUPEES

HAWKINS PRO TRI-PLY STAINLESS STEEL

The Hawkins Pro Cookware Range is designed for regular rigorous use as in professional kitchens. With extra-thick metal and stainless steel stay-cool handles attached with sturdy rivets that will not loosen. Now, not only can you follow the recipes of professional chefs, but also get results which are as good — with the **Hawkins Pro**. Guaranteed for 5 years.

4 L, 20 cm, 3.25 mm	IACH 40G	2300
5 L, 24 cm, 4.06 mm	IACH 50G	2950

- Extra-thick 3.25 mm/4.06 mm curved body is perfect for easy stirring of difficult dishes. Well-suited for stir-frying, sautéing and simmering too
- Toughened heat-proof glass lid locks in the steam and flavours. See the food cook without lifting the lid
- Elegant natural rosewood handles
- Perfect for curries, *pilau*, vegetables with gravy, pasta, *paneer*, soups and stews

FUTURA BIGBOY BIRYANI HANDI

- Unique curved body – stir and handle large loads easily
- 4.06 mm extra-thick strong body heats fast and evenly
- Tough, riveted, Stay-cool handles – easy to manage heavy loads
- Unique lid holds water, tenderises food inside
- Ideal for large families, parties, hotels, *dhabas*, clubs, caterers, and canteens

- Perfect for making tea, soups or other beverages, or boiling milk

Note: All lids are made of Stainless Steel unless otherwise specified - HA (Hard Anodised) lid, or Glass lid

FUTURA CAST IRON

Cast Iron is made from iron heated to over 1200 degrees centigrade, with many wonderful properties for cooking

- Retains heat well, easy to cook in. Certain foods will brown better, cook faster and crispier, and cook more evenly inside and out
- No coating – Naturally Nonstick, healthy, tasty, crispy food
- Pre-seasoned with vegetable oil – Will not rust with regular care
- The more you use it, the better it gets! The cast iron pan surface gets seasoned with more use, becoming smoother and better for cooking
- Rough and tough – Can use high heat, metal ladles
- Versatile – It may be used on gas cooktops, in the oven, on a grill or a *chulha*.
