THE MAKING OF HAWKINS PRESSURE COOKERS

Hawkins Cookers Limited has been in business since 1959. Today, it has two offices, three factories and about 700 persons working. It is the leader in the pressure cooker market in India and has exported its products since 1974 to various countries in each of the six continents of the world.

Worldwide, Hawkins has sold over 100 million units of pressure cookers and cookware by producing products of good design, good quality and considerable consumer benefit. Hawkins pressure cookers are listed by Underwriters Laboratories, USA, an independent worldwide institution testing products for public safety. From February 1, 2021, the Government of India has made it mandatory to list all Pressure Cookers manufactured and sold in India with the Bureau of Indian Standards, commonly known as ISI. All Pressure Cookers manufactured by us thereafter carry the ISI mark.

Each pressure cooker made by Hawkins features an inside-fitting lid. This design is inherently safer than conventional pressure cookers. To open any Hawkins cooker, you have to first lower the lid slightly into the body of the cooker; and that cannot be done until the steam pressure inside the cooker falls to a safe level. Thus Hawkins pressure cookers are pressure-locked for safety – like a jetliner door!

The Hawkins Company is well known for not compromising on quality and for continual product innovation. The most thorough research and development, the most careful selection of materials, the best manufacturing practices and the strictest quality control – all go into making pressure cookers which are trusted by the millions of families using them.

Each cooker is tested to be leak-proof. Along with a superior pressure regulating system, this ensures that Hawkins cooks quickest.

Each pressure cooker comes individually packed in an attractive full-colour carton. Cookbooks/Instruction Manuals come free with each pressure cooker.

Additionally, the individual cartons are packed in master cartons/case packs from 2 to 12 units (depending upon the size of the product). This makes your receiving of shipments more convenient and secure.

All Hawkins pressure cookers are guaranteed for five years.

CLASSIC

5 LITRE
CODE: CL50

HAWKINS CLASSIC PRESSURE COOKER

The Classic is Hawkins' largest-selling, most popular range of pressure cookers – perhaps because of its attractive combination of features, benefits and price. Each Hawkins Classic features an inside-fitting lid. This design is inherently safer than conventional cookers. Thus Hawkins Classic pressure cookers are pressure-locked for safety – like a jetliner door!

This range was the first to be introduced by Hawkins and has been kept fresh and current by numerous innovations and improvements over the years. The latest improvement is a superior pressure regulating system that controls pressure to a narrower, more efficient range, reduces sprouting of frothy foods (such as *dal*) and is easier to insert and remove.

The safety valve is located under the lid handle bar so that when it operates the steam is safely deflected downwards. The gasket has minimum exposure to steam inside the cooker, does not rub every time the product is opened and closed – so lasts longer.

Stay-cool handles. Fixed sturdy pivot does not put pressure on the plastic handles as it is a part of the metal handle itself. Thus handles last longer. Recommended for use on gas stoves.

Abridged Recipe for Vegetable *Biryani* (Rice Layered with Spicy Vegetables)

Pressure
Cooking
Time:
3 minutes

For 5 Litre Model: Serves 7

1. Grind ginger, garlic, chillies into a paste with water.
2. Boil 5 cups water in cooker. Add salt, spices and rice. Boil 5 minutes without vent weight. Remove cooker from heat. Transfer rice to a colander and drain.
3. Heat one-fourth cup ghee in cooker 2 minutes. Add onions, ginger paste, cut potatoes and cauliflower. Fry 3 minutes. Add cut beans, carrots and peas. Fry 2 minutes. Add red chilli, cumin and *garam masala* powders, tomatoes, coriander and mint leaves, lemon juice and salt. Fry 3 minutes. Add *paneer*. Mix gently. Add 1 cup water. Stir.
4. Remove cooker from heat. Place rice on vegetables. Dribble saffron-milk over rice. Add hot ghee and cumin seeds.
5. Close cooker. Bring to pressure and cook 3 minutes. Remove cooker from heat. Allow to cool naturally. Release pressure. Open cooker.
6. Garnish with almonds and mint leaves. Serve hot with butter or curd.

Hawkins Contura

3 LITRE
CODE: HC30

HAWKINS CONTURA PRESSURE COOKER

The Contura has all the features and benefits of the Classic plus a unique body with rounded sides for easier stirring, better visibility and easy removal of food. For difficult dishes which require a lot of stirring, the Contura is the ideal cooker. Stay-cool handles. Recommended for use on gas stoves.

What is Hard Anodising?

Hard Anodising was first developed by Russian scientists to produce a metal surface tough enough for space travel. The same technology is now used to make the most advanced Pressure Cooker. Through a process of electrolysis at sub-zero temperature using a high intensity electric current, a 60 micron thick layer of aluminium oxide (Al_2O_3) is formed molecule by molecule as an integral part of pure, virgin aluminium. This process is called Hard Anodising. It produces a tough surface with wonderful properties for cooking.

- Thermal-efficient: heats fast and evenly
- Not spoilt by high heat
- 2.4 times harder than steel
- Non-toxic, non-staining, non-reactive with foods
- Will not pit, tarnish or corrode
- Stays looking new for years

Recipe for Gajar ka Halwa (Carrot Pudding)

For 3 Litre Model: Serves 5

- carrots** 6 large (2 lb 7 oz / 1.1 kg) peeled and grated
- milk#** ¼ cup / 60 ml
- sugar** 1 cup + 3 tbsp / 240 g
- mava/khoya*** 1½ cups + 1½ tbsp / 240 g crumbled
- ghee** ¼ cup / 50 g
- almonds** 12 blanched, skins removed and sliced
- * whole dried milk

#When cooking on Induction use ½ cup or 120 ml water instead of milk

1. Put carrots and milk in cooker.
2. Close cooker. Bring to full pressure on high heat. Remove cooker immediately from heat. Release pressure with slight lifting of vent weight. Open cooker.
3. Place open cooker with carrots and milk on high heat. Add sugar. Cook till liquid dries up (about 13 minutes), stirring occasionally. Add mava and ghee. Cook till ghee shows separately (about 8 minutes), stirring constantly. Serve hot, garnished with almonds.

FUTURA PRESSURE COOKER

A beautiful combination of form and function, Futura is the only pressure cooker in the world to have been displayed by The Museum of Modern Art, New York.

Futura cooks on average 46% faster than a microwave oven.

The beautiful, durable black finish given by 60 microns thick hard anodising has two benefits. It makes the pressure cooker absorb heat faster making it more energy-efficient. And the pressure cooker stays looking new for years.

The unique pressure regulating system gives you the convenience of finger-tip pressure release and prevents clogging of the steam vent. The double-thick base stays flat, heats evenly and is ideal for light frying before pressure cooking.

Suitable for gas, electric, ceramic and halogen. Induction Compatible models available in 2 Litre, 3 Litre, 4 Litre, 5 Litre and 6 Litre.

THE HAWKINS TEST KITCHEN

All Cookbooks and Instruction Manuals are written by the Hawkins Test Kitchen. The Test Kitchen writes instructions for the user, develops recipes and solves customer problems. Established in 1984, it has since then tested hundreds of

products before launch. If a prototype has some issues the Test Kitchen sends it back to the R&D Centre for improving the design. The Test Kitchen tests products from the consumer's point of view.

Abridged Recipe for Masala Gobi (Spicy Cauliflower)

Serves 12

Pressure Cooking Time 2 minutes

6 ³ / ₄ cups / 1.6 litres	water
2 tbsp + ½ tsp / 32.5 ml	salt
2 medium heads (2½ lb / 1.2 kg)	cauliflower cut into 1¼-1½ inch / 3-4 cm flowerettes with ½ inch / 1 cm stalks; cut remaining tender stalks into ½ inch / 1 cm cubes (720 g)
1½ tbsp / 22.5 ml	poppy seeds
3 tbsp / 30 g	cashew nuts broken into pieces
1 x 1½ inch / 3.8 cm piece (½ oz / 15 g)	fresh ginger
9 small cloves	garlic
3	green chillies
¾ cup / 180 ml	vegetable oil
3 large (1 lb / 450 g)	onions grated
4 medium (13 oz / 375 g)	tomatoes blanched, skins removed and chopped
¾ tsp / 3.8 ml	turmeric
1½ tsp / 7.5 ml	coriander powder
¾ tsp / 3.8 ml	cumin powder
1½ tsp / 7.5 ml	red chilli powder
¾ cup / 180 ml	curd beaten
1½ tbsp / 22.5 ml	coriander leaves chopped

- In a bowl, add 5¾ cups/1.4 litres water with 1 tbsp /15 ml salt. Put cauliflower in bowl and keep about 30 minutes. Drain.
- Grind together poppy seeds and cashew nuts into a paste, gradually adding ¼ cup /60 ml water time to time.
- Separately grind together ginger, garlic and green chillies into a paste.
- Heat oil in cooker about 2 minutes. Add onions and fry till golden brown.
- Add ginger paste, tomatoes, turmeric, coriander, cumin and red chilli powders and remaining salt (1 tbsp +½ tsp /18 ml). Cook till tomatoes are pulpy, stirring occasionally.
- Add 1 tbsp/15 ml curd. Stir and fry until curd is well blended (about ½ minute). Add remaining curd in the same way, a tablespoon at a time, till all curd is used. Stir and fry till oil shows separately (about 3 minutes).
- Add cauliflower. Stir fry about 5 minutes. Add remaining water (¾ cup/180 ml). Mix.
- Close cooker. Bring to full pressure on high heat. Reduce heat and cook 2 minutes.
- Remove cooker from heat. Release pressure with slight lifting of vent weight.
- Open cooker. Add cashew nut paste. Return cooker to medium heat. Cook about 2 minutes, stirring gently. Serve hot, garnished with coriander leaves.

Hawkins® BIGBOY™

HAWKINS BIGBOY PRESSURE COOKER

The Bigboy range has been specially designed to cook large quantities of food quickly and economically. It is most useful in restaurants, hotels, canteens in factories, hospitals, schools and colleges. Also, canteens in many civil or military government establishments are using the Hawkins Bigboy.

The 18 Litre and 22 Litre Bigboy Pressure Cookers have a pair of sturdy lifting handles attached to the sides of the pressure cooker for convenience in handling the heavy weight carried by such pressure cookers. The plastic handles of all Bigboy Pressure Cookers are made from reinforced fibreglass for extra strength. Similarly, all other components of Bigboy Pressure Cookers are made for heavy duty. A chain is attached to the vent weight to prevent loss in busy kitchens.

Recommended for use on gas or kerosene stoves. They may also be used on coal burning or firewood stoves provided a suitable gap of at least 1 inch is kept between the fuel and the bottom of the cooker.

CLASSIC

WITH SEPARATORS

**5 LITRE
WITH SEPARATORS
CODE: CL51**

HAWKINS CLASSIC PRESSURE COOKER WITH SEPARATORS

Make a quick-n-easy, delicious, healthful meal using the Hawkins Separator Set, that can cook 2 or 3 dishes at the same time in your Hawkins pressure cooker. Cook healthier, low-oil foods in pure steam. Save more time, more fuel. Plus, clean-up is much easier! Separator Sets have 2 or 3 food containers and a stand for convenient insertion and removal of the stack of containers. The versatile containers can also be used for steaming foods that are to be kept out of water, and for reheating foods conveniently.

Separator Sets are made of pure, virgin aluminium, and are presently offered packed inside 3 Hawkins Classic Pressure Cooker models: 5 Litre (with 2 containers) and 6.5 Litre & 10 Litre pressure cookers (with 3 containers). All 3 sizes are also offered without Separator Sets (see page 4).

REPAIR KIT

THE HAWKINS REPAIR KIT

Now you can do some repairs of your pressure cooker yourself and get back to cooking in just five minutes! All you need is a screwdriver – the other parts and tools are all there in the Hawkins Repair Kit. No more risk of using spurious parts, incurring unnecessary repair costs or dealing with untrained, unscrupulous mechanics. This kit is ideally suited to be used abroad, or in towns where there is no Hawkins Authorised Service Centre nearby.

PRODUCT CODE	PRODUCT MRP (₹) PER UNIT	CASE PACK

Main Parts of the Hawkins Pressure Cooker

HAWKINS GENUINE SPARE PARTS

Hawkins has developed a complete range of genuine spare parts that may be required through the life of any Hawkins model across the entire range of our pressure cookers.

Simple replacement of parts like gasket, safety valve and handles can be done by you by following instructions provided in our cookbooks or on our website. Other repairs must be done only by an Hawkins authorized service centre or representative.

Expert, lifelong free service is available from over 694 Hawkins Authorised Service Centres in India listed in the Service Centre Directory that accompanies each pressure cooker shipped in India.

Pressure Cookers exported to other countries carry details of the party to be contacted in case of any requirement of parts or service.
